

## WINFRED ARES Simplex Net Script

**Frequency:** 146.580 MHz, Simplex

**Day:** Sundays

**Time:** 20:00

Calling the Winchester/Frederick County ARES simplex net, calling the WINFRED ARES Simplex Net. Your net control station for this session is < **your call sign phonetically** >, my name is < **your name** >, and I am located in < **your location** >

This is a directed net. The purpose of this net is for stations to be able to practice net procedures without using a repeater. It will also give you an idea of the capability of your station. Simplex communications can be critical during a repeater outage.

You do not have to be a member of WINFRED ARES to participate in this net. All radio amateurs are welcome.

Are there any announcements or traffic for the net?

I will now begin taking check-ins. When checking in please give your call sign, clearly and phonetically, your name and location.

Portable and mobile stations please check in now.

Are there any relays?

All other stations please check in now.

Are there any relays?

**[Call for announcements at this point]**

We will now go for a round of comments.

Are there any other check-ins for the net before we close, please call now?

Are there any relays?

We are now closing the net at < **time of net close** >. I'd like to thank everyone for checking in. This net meets Sundays at 8:00PM, on 146.580 MHz, SIMPLEX. Thank you to those who stood by while we conducted this net. The net is now closed, and the frequency is returned to regular amateur radio use.

This is < **your call sign** >, 73 and good night.
